I acknowledge that my student who is properly licensed will be driving and/or riding in a vehicle not owned by the district. I agree to hold the district harmless for any property damage, bodily injury, or personal injury occurring while my student is transporting and/or being transported to and from the school district.

I agree and understand that the insurance of the vehicle is primary, and I will be responsible for any physical damage, repairs, maintenance, including gas, arising out of the acts of my student.
